

# CUDA-Application-Design-and-Development

---

This is source code for CUDA Application Design and Development

## Chapter01

CUDA Introduction and Programming Idea

## Chapter02

Application of CUDA in Machine Learning and Optimization

## Chapter03

CUDA Toolkit: Performance Analysis of PCA, NLPCA

## Chapter04

CUDA Execution Model

## Chapter05

CUDA Memory

## Chapter06

Efficient Use of CUDA Memory

## Chapter07

Tips for Increasing Parallelism

## Chapter08

CUDA is used in all GPU and CPU Programs

## Chapter09

CUDA and Image Rendering Hybrid Programming

## Chapter10

Using CUDA in Cloud Computing and Cluster Environments

## Chapter11

Application of CUDA in Real-World Problems

## Chapter12

Applications for Live Video Streaming
